

# Business Insurance

A sound understanding from an experienced team.

## The best cover at the best price

Whatever business sector you're in, Network Insurance Group can tailor an insurance solution to meet your needs.

## Our Process

### 1. Consult & Learn

Consult with you to get a clear understanding of your business. We will ask probative questions surrounding strategic, hazard and business risks of your business.

### 2. Analyse & Design

Based on this information we will search the market for the best cover and consider the best options available for your business. We will design a proposal to suit your needs.

### 3. Deliver & Implement

Once you have agreed to your risk management plan we will implement and setup your cover

### 4. Continue

We pride ourselves in maintaining on going relationships with our clients. We will check in regularly to ensure you're comfortable with your cover and to ensure you've had no major change of circumstance
