

Workers Compensation Policy Services

Workers Compensation is a compulsory insurance for all employers in Australia. The premiums, which are based on your industry, wage roll and claims history, are controlled by the government with a different approach in each State and Territory.

At Network Steadfast, we have a dedicated team of National Workers Compensation specialists who are here to provide you with support and advice. Be confident that your policies are compliant with the relevant legislation and regulations by having us manage your Workers Compensation programme.

Our policy services offer a single point of contact for all administration requirements. We provide clear information about your cover, premiums and simple advice on what you need to pay.

Network Steadfast services include:

Certificate of Currency

Receive confirmation that your insurance is current before it expires - we ensure you are provided with a certificate of currency promptly.

Renewal Premium

Premiums are calculated at the beginning of the policy period based on estimated wages that are likely to be paid over the next twelve months.

Declaring Wages

Guidance when completing your wages declaration, so that you can be confident apprentices, contractors and any other exclusions are correctly declared.

Guidance with Reporting Injuries

We will help you notify the injury to the insurer and provide recommendations for next steps.

Paying the Right Amount

Our premium experts will review and verify your premiums to ensure classifications and premium rates are correct.

Adjustment Premium

The final adjustment premium is calculated at the end of the policy period using the actual amount of wages paid during the prior year. This determines if a refund or further payment is required.

Payment Options

Advice on early payment discounts and payment plans, including quarterly or monthly options. We can even arrange to have all your insurances packaged into a single monthly payment.

Expert Advice

We can also assist with support and guidance with general enquires when required.
